**Sincerely,**

**IGRNet**

**Organizing Committee**

## ABOUT US

**IGRNet Conferences** has focused on meeting the needs of the scientific community, through strong tie-up with business and industry, while simultaneously accomplishing international benchmarks accreditation standards by its international conferences. **IGRNet Conferences** is a unique organization which organizes conferences worldwide.

**IGRNet Conferences** provides a global platform to the researchers to explore and share their knowledge through networking. **IGRNet Conferences** promotes free exchange of innovative thoughts at the research frontiers of the science, medical, health, clinical, engineering and technology. The elegance of the workshops and the advanced research topics that are going to be presented at the **IGRNet Conferences** shall be definitely interesting and informative.

Conference aims to bring together worldwide researchers and professionals, encourage intellectual development and providing opportunities for networking and collaboration. This association meets with its objectives through academic networking, meetings, conferences, workshops, projects, research publications, academic awards and scholarships. This conference strives to enrich from its diverse group of advisory members. Scholars, Researchers, Professionals are invited to freely join and become a part of a diverse academic community, working for benefit of academia and society through collaboration and vision.

# ABOUT CONFERENCE

**2020 World Conference on Cyber Security and Ethical Hacking (WCCSEH-2020)** will be held in **Singapore, Singapore** during **02<sup>nd</sup> Jan-03<sup>rd</sup> Jan 2020**.

Cyber security uniquely addresses cyber security, cyber warfare and information warfare. For the past 15 years cyber security has developed into an important conference in the cyber-security field, attracting academics, military professionals and practitioners from around the world to present their research findings in the form of empirical studies, case histories and other theoretical and practical contributions. In addition doctoral degree candidates find this conference a valuable opportunity to network with others and have the opportunity to present papers and posters.

Over the years the Conference has been attended by a variety of security and military organisations including Cyber Security Policy Research Institute, more than 10 national defence colleges, NATO, SHAPE etc. Information is power. And wherever there's power, there are people looking to steal it. But that's also where you'll find us. We're CYBER SECURITY Conference. And we're here to stand against cyber threats around the world.

That means being here for you. Connecting you with the people and insights that will empower you to stay ahead of cyber threats. We do this through our online outreach and with our events around the globe. Some say it's impossible to stay ahead of cyber security threats. We disagree. We'll always be here as your go-to resource for exchanging ideas, learning the latest trends and finding the solutions for a more secure tomorrow.

## **Salient Features:**

- Meet Academia and Industry visionaries to get encouraged
- Enlarge your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered under a single roof
- Build connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

# CALL FOR PAPER

**World Conference on Cyber Security and Ethical Hacking (WCCSEH)** welcomes paper submission including abstract and full paper which is not published elsewhere. Topics of interest for submission include, but are not limited to:

- Hackers & Threats
- Blockchain & Applied Crypto
- Application Security & DevSecOps
- Analytics, Intelligence & Response
- Security as a service
- C-Suite View
- Cloud Security & Virtualization
- Cryptography
- Cybersecurity Future Proof: 2025
- Governance, Risk & Compliance
- Human Element
- Identity
- Law
- Mobile & IoT Security
- Policy & Government
- Privacy
- Professional Development
- Protecting Data & the Supply Chain Ecosystem
- Security Mashup
- Security Strategy & Architecture
- Sponsor Special Topics
- Technology Infrastructure & Operations

## IMPORTANT DATES:

Paper Submission: 13<sup>th</sup> December 2019

Registration Deadline: 17<sup>th</sup> December 2019

Conference Date: 02<sup>nd</sup> January 2020
